

Herpetological Review

Official News-Journal of the Society for the Study of Amphibians and Reptiles

2012 ADVERTISING RATES

Herpetological Review is the official news-journal of the Society for the Study of Amphibians and Reptiles, the largest international herpetological society. HR reaches a diverse audience of professional and amateur herpetologists, including wildlife managers, conservation biologists, and educators. Circulation extends to over 60 countries. HR is the pre-eminent publication outlet for new techniques involving lab and field research. HR is issued quarterly—in March, June, September, and December.
