

Society for the Study of Amphibians and Reptiles:
Roger Conant Grants In Herpetology Program

RELEASE OF LIABILITY

I hereby certify that I am over the age of eighteen and by my signature below, I hereby release the Society for the Study of Amphibians and Reptiles (SSAR), its officers, agents, successors, and assigns from any and all liability, not caused directly by negligence of SSAR or its representatives, arising out of or in any way related to research or travel conducted during the project for which I am requesting grant funds. This includes personal injury to myself and any research assistants accompanying me, as well as damage to property or equipment that may occur in association with the previously mentioned research project.
