

Herpetological Review

Official Bulletin of the Society for the Study of Amphibians and Reptiles

2022 ADVERTISING RATES

Herpetological Review is the official bulletin of the Society for the Study of Amphibians and Reptiles, the largest international herpetological society. *HR* reaches a diverse audience of professional and amateur herpetologists, including wildlife managers, conservation biologists, and educators. Circulation extends to over 60 countries. *HR* is the pre-eminent publication outlet for new techniques involving lab and field research. *HR* is issued quarterly—in March, June, September, and December—and consists of >800 pages per volume.
